

MUHAMMED BILAL

UI/UX & Graphic Designer with Frontend Development Skills

ABOUT

I'm a passionate UI/UX and Graphic Designer with a BSc in Computer Science. Combining creative design with technical knowledge, I craft user-centered and visually engaging digital experiences. I design intuitive interfaces using Figma and Adobe XD, and have strong frontend development skills in HTML, CSS, JavaScript, React.js, Next.js, and Tailwind CSS. My expertise in Photoshop and Illustrator helps me create cohesive visuals that enhance brand identity and user engagement.
